

Smiles on Faces Program

You can help send 25 kids and their families to the CNE

Each summer, thanks to compassionate donors like you, the Canadian National Exhibition Foundation provides VIP experiences at the iconic Canadian National Exhibition to some amazing kids through our *Smiles on Faces Program*.

Together with our charity partners, the CNE Foundation grants all-expense-paid visits to the Ex to 25 children facing critical illnesses along with their families. This special program makes experiencing the CNE possible for many of our *Smiles on Faces* kids who may not otherwise be able to attend due to physical barriers typically associated with special events such as waiting in lines or standing in the sun. Your support of the *Smiles on Faces Program* helps significantly reduce these barriers and enables the children to create memories with their families that last well beyond their special day at the CNE.

Through the generous support of our sponsors and donors, our *Smiles on Faces* families are treated to unlimited rides with front-of-the-line access, meals for the day, CNE family gift packs, special meet-and-greets, and more.

Today, we invite you to join us in providing these unforgettable experiences to 25 great kids once again this summer. Your financial gift will enable a child take to take a break from their real-life challenges for a day and put a smile on their face.

"After everything Owen's been through the past couple of years it was such an awesome experience and so nice for Owen to have this opportunity."

– Jennifer, mother of Owen
