

You can support dreams on and off the court

CNE-OBA 3-on-3 Basketball Tournament

At the Canadian National Exhibition Foundation, we are grateful for your generous support toward bringing the excitement of 3-on-3 basketball to the Canadian National Exhibition each summer. Your partnership is the driving force behind this exceptional program, empowering our young athletes to reach new heights on the court and in their lives.

Youth participation in sports programs is known to provide a number of social benefits for the participants by offering a positive outlet for growth and development, and strengthen communities. Despite this, racial, financial and gender barriers, are contributing to a decline in sports participation among young people. Together, we can do our part to reverse this trend and help more youth reach their potential. Your support helps elevate marginalized youth and creates equitable opportunities for female athletes.

Thanks to the support of our CNE community and donors like you, hundreds of 10 to 14-year-olds have the opportunity to tip off at the CNE each summer, engaging their passion for basketball and staying active. Join us in making a difference, one basket at a time. Your contribution is more than a gift; it's an investment in the future of our youth and community.
